

# SENIOR ILM CONSULTANT (m/f/d)

🕒 FULL TIME

📍 GERMANY – HEIDELBERG - REMOTE

We are an international software and consulting company providing SAP solutions in the areas of data management, test automation, system landscape optimization (SLO) and SAP HANA implementations. The company was founded in 1998. DATAVARD currently employs around 220 people and has its headquarters in Heidelberg with offices in Hamburg, Slovakia, Singapore, Switzerland and in the US.

## 01 JOB DESCRIPTION

### What you will do

- Active support of various data management projects, transformation and SAP roadmap advisory (archiving, cost optimization, HANA transition, optimization projects) for our international clients
- Analysis and optimization of complex SAP system landscapes
- Design and implementation of technical concepts for data archiving and optimization projects using the newest trends in data management (automated SAP housekeeping, Data Tiering, DTO, standard archiving, SAP ILM, Nearline Storage, Data remodeling into LSA++, Performance optimization etc.)
- Project implementation using our standard SAP or Datavard software
- Coaching and Knowledge Transfer with colleagues on functional, technical, and methodological subjects

### Your Team

“Every individual at Datavard influences their future. I am amazed to see how Datavardians are shaping our future to become an industry thought leader while keeping friendships, open culture and fun we remember from our first days.”

**Jan Meszaros**  
Service Line Manager

### Who you are

For the position of the Senior ILM Consultant we are looking for professionals who have:

- Completed studies (e.g. information technology, engineering, business administration, economics, computer sciences) or equivalent education
- Excellent application skills in at least one SAP module or application, such as FI/CO, MM, SD, HR, or SAP BW
- Minimum 5 years of experience in a specialist or senior position in an SAP environment
- Experience as consultant, coordinator or project manager in SAP archiving projects (ADK archiving, SAP ILM, SAP BW Nearline Storage, DTO, or similar) or HANA transition projects (Suite on HANA, BW on HANA, BW/4HANA or S/4HANA) or any SAP optimization projects (Cost or Performance optimization) is a significant advantage
- Excellent German and English skills in reading and writing
- Very good communication / presentation skills
- Ambition to improve and develop their own functional (SAP applications, business processes) and technical skills

### What we offer

- A comprehensive training and onboarding program supplemented by individual and team training opportunities
- Cooperation with technical experts and consultants worldwide
- A future-proof workplace in an innovative, dynamic and international work environment

## 02 BENEFITS & APPLICATION

### Benefits

- Attractive compensation package
- Flexible working hours and home office allow you to combine work and free time
- Worldwide health insurance coverage for yourself and your family
- Language training and other advanced training opportunities
- The company pension scheme closes your pension gap at old age

### How to apply

Send your CV in English or German to [jobs@datavard.com](mailto:jobs@datavard.com). If your profile meets our requirements, we will get in touch with you soon.

“Looking forward to meeting you soon!”

**Lina Philipp**
